

Update on Dates for 2021 Long-Term Renewable Resources Procurement Plan Stakeholder Workshops

June 22, 2021

The Illinois Power Agency will be holding its first Long-Term Renewable Resources Procurement Plan Update workshop on **Friday June 25** from **9:30am-12:00pm CDT**. This workshop was rescheduled from June 18 in observance of the Juneteenth Holiday.

The second and third Long-Term Renewable Resources Procurement Plan Update workshops **have been rescheduled** and now will be taking place on **Wednesday July 7** and **Tuesday July 13** from **1pm-4pm CDT**.

These workshops will be held virtually through WebEx and require registration in advance. After you register, you will receive a confirmation email with information on how to join the workshop. Registration links for each workshop are provided below.

Workshop 1 (RPS Overview, Diversity & Equity, Labor Standards, Competitive Procurements)

Friday, June 25, 2021; 9:30am-12pm CDT

Workshop agendas [can be found here](#).

After workshops, the IPA will follow up with written requests for comments. Through these workshops and written comments, the Agency will be able to consider initial stakeholder input as it revises the Long-Term Plan. In addition to this workshop and comment process, stakeholders will have the opportunity to comment on that draft Revised Plan once it is released, and to participate in the Illinois Commerce Commission proceeding to approve the Revised Plan.
