1. Higher - to incentivize an AV for assuming the risk of a stalled project.
2. Not that I can think of.
3. YES
4. Absolutely
5. CAPS on rec adders. Its cleaner.
6. Higher for Illinois Shines because of the nature of the program and helps reentering citizens.
7. N/A
8. Yes
9. Must select from low, med high or very high.
10. Absolutely
11. No thoughts but taxes should always be considered.
12. No. It slows down the cash flow of the AV and creates another layer of regulation.
