

## **Acceptable Formats for Part II Application CoC/PTO Documents**

A utility-signed Certificate of Completion (CoC) or Permission to Operate (PTO) is required in the Part II Application submission. Project applications where the system size listed on the CoC/PTO is less than the size listed on the application will result in a Need Info request to correct the discrepancy. A CoC/PTO missing the utility's signature or date of final approval is considered incomplete and will result in a Need Info request for the complete document.

Utility	Accepted Formats (PDF or Screenshot)
ComEd	<ul> <li>Standard ComEd CoC         Must include both parts of the CoC (i.e., the section with the customer's signature and the "Acceptance and Final Approval for Interconnection" section).</li> <li>ComEd PTO Email         Must include the sender, recipient, subject and the whole body of the email; a partial email will not be accepted.</li> </ul>
	ComEd Portal PTO     The customer's name and project address must be visible.
	• Electric Distribution Company (EDC) CoC  Must include both parts of the CoC (i.e., the section with the customer's signature and the "Acceptance and Final Approval for Interconnection" section).
Ameren	<ul> <li>PTO Letter with Ameren e-signature</li> <li>EDC CoC</li> <li>Must include both parts of the CoC (i.e., the section with the customer's signature and the "Acceptance and Final Approval for Interconnection" section).</li> </ul>
Rock Energy Cooperative	<ul> <li>Interconnection Agreement signed by both utility and customer.</li> <li>The Interconnection Agreement is ONLY accepted for Rock Energy Cooperative as they do not issue CoCs/PTOs.</li> </ul>
Shelby Electric Cooperative	<ul> <li>Document titled "Authorization to Energize."</li> <li>Must be issued on the official Shelby Electric Cooperative letterhead.</li> </ul>
All other utilities and rural electric cooperatives (excluding ComEd, Ameren, Rock Energy Cooperative, and Shelby Electric Cooperative)	<ul> <li>Other Utility CoC/PTO Formats         Must be signed and issued after a project is interconnected.         The interconnection agreement and CoC/PTO are not interchangeable.     </li> <li>EDC CoC</li> </ul>
	Must include both parts of the CoC (i.e., the section with the customer's signature and the "Acceptance and Final Approval for Interconnection" section).
