# Block Capacity Management and Waitlist Procedures

# Waitlists and Block Capacity Dashboard

## Waitlists for 2024-2025 Program Year:

- **Traditional Community Solar Waitlist – Group A** (updated November 8, 2024)
- **Traditional Community Solar Waitlist – Group B** (updated November 8, 2024)
- **EEC Group A Waitlist** (updated November 15, 2024)
- **CDCS Group A Waitlist** (updated June 4, 2024)
- **CDCS Group B Waitlist** (updated July 10, 2024)

Applications that were submitted in the 2023-24 Program Year and have been waitlisted for the 2024-25 Program Year will be processed on a first-come, first-served basis before applications submitted on or after June 3. When the new Program Year starts, it is expected to begin in December or January. Extended processing times are expected due to the size of the current waitlist.

# Thank you for watching!
