Prevailing Wage Requirements

Prevailing wage is a minimum compensation level by county set by the Illinois Department of Labor for construction activities related to public works. The Climate and Equitable Jobs Act (CEJA) expanded the prevailing wage requirement to individuals engaged in the construction of applicable projects submitted to the Program; the Illinois Department of Labor (IDOL) oversees the implementation and enforcement of the Prevailing Wage Act (PWA).

How do I demonstrate compliance with Prevailing Wage?

To demonstrate Prevailing Wage (PW) has been correctly paid for eligible construction work, each contractor and subcontractor under contract for construction activities for an Illinois Shines applicable project must submit a Certified Transcript of Payroll (CTP) to the Program Administrator via the Part II application. The Approved Vendor (AV) must generate the CTP from the IDOL website monthly throughout construction activities
